The Chairman reported that this had been discussed at the February meeting and the Parish Council are awaiting a date to meet the Highways Officer to discuss the project and costings. 7.	<p>To receive written reports from County Councillor Andrew Stringer</p> <p>The members confirmed receipt of the report prior to the meeting. County Councillor Andrew Stringer highlighted:</p> <ul style="list-style-type: none"> • Devolution Consultation: People across Suffolk are being asked for their views on a proposed, in principle, devolution deal that would hand Suffolk greater decision-making powers and control of more than half a billion pounds of public funding over 30 years. • Sizewell C: Construction begins this month of the controversial new power station at Sizewell, a project that is forecast to take 17 years to complete. This will have a massive impact on local communities, the coastal environment and transport routes in the county. Suffolk County Council has secured £250m in mitigation monies for Suffolk communities, but this will still create a lot of upheaval in the county and the council has a role to play in making sure Sizewell C make every effort to minimise its impact and listens to the concerns of residents and local businesses. • Ofsted/CQC SEND Inspection Report: Following the resignation of the Cabinet members for SEND, Education and Children’s Services a new Director for the department has been appointed.
8.	<p>To receive written reports for information only from District Councillors Rachel Eburne & Janet Pearson</p> <p>The members confirmed receipt of the report prior to the meeting. District Councillor Rchel Eburne highlighted:</p> <ul style="list-style-type: none"> • Devolution in Suffolk: While Suffolk County Council has commenced a consultation exercise on Devolution (from 18th March), the District Council will be debating this at Council on 20th March. Mid Suffolk District Council is a consultee only but councillors feel it is important to debate this publicly and to put forward all comments and concerns from the district’s perspective.
